

L'ARTISAN FLEURISTE

Our Florist of French Polynesia

PRESENTATION

Founded in 2008, our commitment to quality and creativity has made us the preferred choice for enthusiasts of exquisite flowers and floral design aficionados.

Our reputation extends far beyond our doors, as we take pride in providing exceptional floral creations to cruise ships, yachts, and airlines soaring through the skies of French Polynesia. Our privileged partnership with these industries allows us to deliver fresh flowers of impeccable quality, even in the heart of the ocean or high in the air.

Located in the heart of Papeete, we are fortunate to have privileged access to the port, facilitating direct deliveries to the quay. This strategic location enables us to promptly fulfill your requests, whether it be for delivery at sea, on land, or in the air.
